SUCCESS UNLIMITED™
SEMINARS & WORKSHOPS

DURANET ENTERPRISES INC.

SUCCESS Unlimited™ Seminars & Workshops are designed specifically to serve Management, Staff and Professionals in organizations to be more engaged & perform more effectively in the workplace and outside.

It is a unique, holistic and customizable program for peak performance. Each session is delivered in a friendly and entertaining manner. The sessions are designed to stimulate critical thinking and create awareness and a dynamic balance for a Happy Healthy and Wealthy life for individuals and the organizations they are working for. It includes in-class interactive exercises as well as home assignments.

Using some of the principles of accelerated learning, the sessions are delivered one week apart. This way, attendees can review what they learn in each session and apply the main points in the given assignment activities to help them be more effective and develop new empowering habits. SUCCESS Unlimited™ is a System. It is based on the content of the Book - THE LEADERSHIP ZONE: Lessons from the Front Lines, and the fact that people who have a happy home life are also very productive in the workplace and vice versa. It is delivered in two Formats.

SUCCESS UNLIMITED™
SEMINARS & WORKSHOPS

DURANET ENTERPRISES INC.

The Standard Format is one 3-hour seminar / workshop every week for 10 weeks. See outline of Seminar modules below.

Standard Format

Day 1. Introduction to Living by Design
In this seminar attendees establish the current status and learn about Living by Design and the tools they need to do that. Emphasis is on how to apply the Law of Manifestation, Personal Responsibility, Reality Loop and the CANEI Principle.

Day 2. Overcoming Internal Barriers Part 1
In this session attendees learn how to overcome Stage 1 barriers to peak performance such as the barriers of Language, Purpose and Discipline.

Day 3. Overcoming Internal Barriers Part 2
This session is a continuation of Day 2 and attendees learn how to overcome Stage 2 Barriers to peak performance such as the barriers of Ego, Communications and Cooperation.

Day 4. Leadership & Management In Organizations
This session looks at Leadership and Management from a different perspective and deals with external barriers in group settings.

Day 5. Building Trust and Influence
This session explores the various aspects of The Triangle of Trust, the 4 Cores of Credibility, the behaviours of high trust, the human needs and various principles of rapport building to expand the zone of influence ethically.

Day 6. The Nine Environments of You
This session looks at the 9 Environments that surround us 24 /7 and shows how they affect our performance in every aspect of our lives.

Day 7. The Four Quadrants of Health & Wealth
This Seminar focuses on a balanced and holistic approach to personal health and wealth management. It covers the 4 parts of Health Wheel and the 4 compartments of Wealth toolbox.

Day 8. Simple Strategies for Stress Management
This Seminar deals with tools for managing everyday stress using the Nature's Guidance System, Discipline and the tools that are available in our physical, mental, social and spiritual domains.

Day 9. Goal Setting
This Seminar focuses on the role of Intention, Commitment and Clarity in goal setting, the 13 requirements for clear goals and how to use the C.R.E.A.T.E Goal Setting and Achieving worksheet.

Day 10. Goal Achieving
This workshop covers the 12-step approach to Goal Achieving and how the C.R.E.A.T.E Goal Setting and Achieving worksheet works.
